

Pearson

Get *expert* training straight from the source

Let us support you with training for your clinical outcome assessments (COAs). Our experienced training team includes psychologists and clinical practitioners with expertise in clinical endpoints, psychometrics, and e-learning to ensure standardized administration and scoring.

Raters will be armed with the most up-to-date and valid administration and scoring guidance. Training content will be tailored to meet your needs. Rater training is available to CROs and Sponsors in a variety of formats, including in-person training, virtual sessions, and on-demand training modules to support your clinical trial.
